

MD MAHABOOBALI KHAN

UX/UI Designer | Senior Product Designer | 12+ Yrs | Design Systems | Figma | UX Research | Prototyping | WCAG Accessibility | Enterprise SaaS & FinTech

Hyderabad, Telangana, India | mdalikhan1986@gmail.com | +91 9848828150 | [Portfolio](#)

PROFESSIONAL SUMMARY

UX/UI Designer and Product Designer with 12+ years of experience designing enterprise SaaS, FinTech, Insurance, B2B, and B2C products. Expertise in end-to-end product design, UX research, user journey mapping, wireframing, high-fidelity prototyping, and scalable Design Systems. Skilled in Figma, interaction design, information architecture, dashboard and data visualization design, and WCAG 2.1 accessibility standards. Proven track record collaborating with product managers, engineers, and business stakeholders to deliver developer-ready, user-centric interfaces for complex enterprise workflows, while mentoring junior designers and driving UX best practices.

CORE SKILLS

UX/UI Design • Product Design • UX Research • User-Centered Design • User Journey Mapping • User Personas • Wireframing • High-Fidelity Prototyping • Usability Testing • Interaction Design • Information Architecture • Design Systems • Component Libraries • Figma • FigJam • Responsive Design • Dashboard Design • Data Visualization • WCAG 2.1 Accessibility • Design Leadership • Stakeholder Management • Cross-Functional Collaboration • Agile Product Development • Enterprise SaaS • FinTech • AI-Assisted Design

PROFESSIONAL EXPERIENCE

Associate Lead UX/UI Designer — PurpleTalk India Pvt Ltd

November 2017 – Present

- Led end-to-end UX/UI design for enterprise SaaS platforms across Insurance, FinTech, Equipment Financing, Agriculture, and Maritime domains, transforming complex workflows into intuitive user experiences.
- Built and maintained scalable Design Systems with reusable Figma components, design tokens, variants, Auto Layout, documentation, and WCAG 2.1 AA accessibility standards.
- Designed developer-ready UI specifications, user flows, interaction patterns, and responsive layouts for enterprise web and mobile applications.
- Conducted UX research and usability testing, and collaborated with Product Managers, Business Analysts, Engineers, and QA throughout the software implementation lifecycle.
- Led design reviews, stakeholder workshops, usability validation, and design critiques while mentoring 3–5 designers and driving UX best practices.
- Simplified data-heavy enterprise workflows, improving operational clarity by ~35%, reducing task completion time by ~40%, and increasing design consistency by ~30%.

Insurance Aggregator Platform

Designed an enterprise insurance platform enabling brokers and agents to compare policies, generate quotations, and manage customer onboarding and policy issuance.

Equipment Financing Platform (FinTech)

Designed end-to-end UX for an enterprise equipment financing platform, including dealer onboarding, loan origination, approval workflows, and reporting dashboards.

Andhra Pradesh Government – Seed Quality Assurance Platform

Designed web and mobile applications for a multi-role seed quality assurance platform, digitizing inspection, sample collection, lab testing, and QR-based farmer verification.

Syngenta Tree Care Management

Designed a B2B mobile application enabling field officers to inspect plantations, record tree health, prescribe treatments, and manage field service operations.

Syngenta Retail Rewards Platform

Designed a retailer loyalty mobile application enabling QR/SKU scanning, product traceability, and reward point accumulation and redemption.

Maritime Navigation Platform

Designed enterprise SaaS dashboards and workflow-driven interfaces supporting vessel management, navigation planning, and compliance monitoring.

Agriculture Intelligence Platform

Designed web and mobile applications for crop monitoring, farm operations, analytics dashboards, and IoT-driven agricultural workflows.

UX/UI Designer — Couponbuy Inc

May 2015 – November 2017

- Created visually engaging, user-friendly designs for digital and print products, ensuring alignment with user needs and business goals.
- Collaborated with stakeholders to refine designs and deliver final assets for seamless implementation.

Graphic Designer — Legal Advantage Pvt Ltd

September 2012 – December 2014

- Designed visually appealing digital and print materials, including logos and brochures, aligned with brand guidelines.
- Collaborated with senior designers and marketing teams using Adobe Photoshop, Illustrator, and InDesign.

TOOLS & TECHNICAL SKILLS

Design & Prototyping Tools: Figma, FigJam, Framer, Axure RP 9, Sketch, Adobe Illustrator, Adobe Photoshop, InVision, CorelDRAW

Technical Skills: Design Tokens, Component Libraries, Auto Layout, Figma Variables, Developer Handoff, Design Documentation, HTML/CSS Knowledge, Responsive Design

AI Skills: Claude, Cursor, Figma AI, Figma Make, AI-assisted UX Research, AI-assisted Wireframing, AI-assisted Prototype Generation, Prompt Engineering for Product Design

EDUCATION

M.Tech — NIT Trichy (2010)

B.Tech / B.E — SCET (2008)

LANGUAGES

English, Hindi, Telugu, Urdu
